

iPad – How to create a mailbox folder

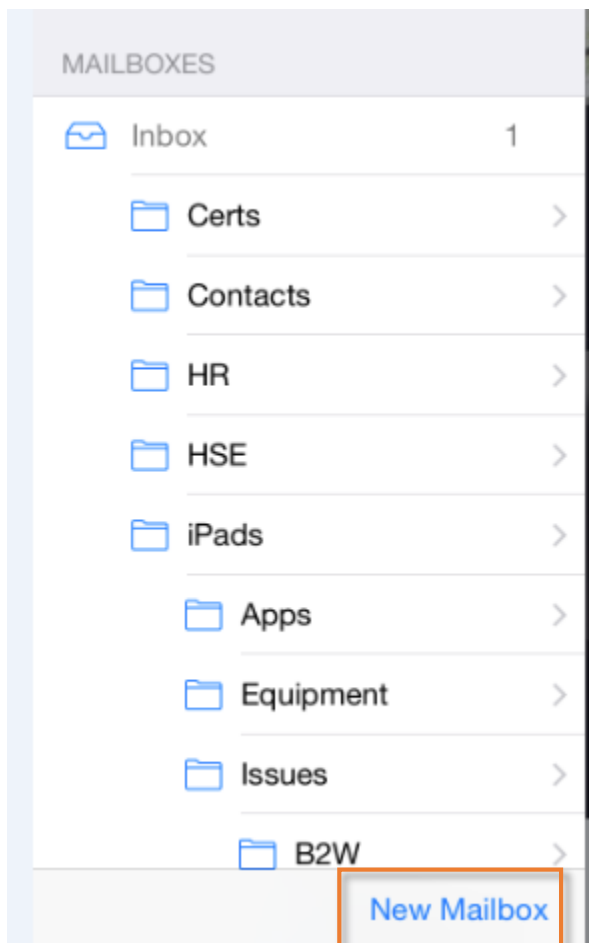

1. Go to your mail app and click on < **Mailboxes**

2. Select Edit

3. Select New Mailbox (at the very bottom)

4. Give your Folder a name and select Save

The image shows a mobile application interface for editing a mailbox. At the top, the status bar displays 'TELUS LTE'. Below this is a header bar with three buttons: 'Cancel' in blue, 'Edit Mailbox' in black, and 'Save' in grey. The 'Save' button is highlighted with an orange rectangle. Below the header is a large white text input field with the placeholder text 'Name'. This input field is also highlighted with an orange rectangle. The background of the app is a light grey.
